EARLY CHILDHOOD LEARNING CENTRES

## SOCIAL MEDIA PERMISSION FORM

Photographs and videos are often taken of the children while they are at the Centre. These photos and videos are used as observational tools, displays and promotions. These are used both in the centre and outside the centre e.g. including but not limited to; Facebook, Welcome Videos, Facebook Promotions and Instagram.

Please tick the appropriate statement that will apply to your child:

I/We do give permission for our child's photos and or videos to be published on Facebook, YouTube and or any other promotional and advertising material for the centre.

I/We do not give permission for our child's photos and or videos to be published on Facebook, YouTube and or any other promotional and advertising material for the centre.

Children's Name

1 .....

2 .....

3 .....

Parents/Guardians Name .....

Signature.....

### Please note

While we endeavour to take photographs of individual children, sometimes more than one child may appear in an image. Please be aware that parents may tag or share photos containing images of their own child, but other children may also be present in the same image. By signing our social media permission slip, you are agreeing to the above policy, and acknowledge that photographs of your child/ children may be shared by other parents/ individuals on our Facebook page.
